

Lawrence MEAP Scores are Excellent.

As in the past, Lawrence continues to score extremely well on the Michigan Educational Assessment Program (MEAP). The students were tested in the fall of 2009 and scored above or very close to the state average in all categories. In only one subject area was the percentage of students who were proficient below the 80% level. This speaks volumes about the education being provided to our students. We are extremely proud of the students and the staff for their accomplishments and hard work. Congratulations and keep up the good work.
